

Call for Papers

Special Issue of

Journal of Research and Applications in Agricultural Engineering

Journal of Research and Applications in Agricultural Engineering is pleased to announce the call for papers for a Special Issue: “Agricultural Engineering”

Journal publishes articles in English from the scope of: agricultural, horticultural and forest engineering, as well as: ecology, energy, fuels, agriculture and industry 4.0, automatics, robotics, food processing technology, transport.

Topics of interest in this Special Issue include (but are not limited to) the following:

- agricultural engineering, including applied technology for agriculture in rural areas,
- agriculture and environmental pollution,
- farming / integrated farming / urban farming,
- phytoremediation of agricultural waste water (using plants to remediate wastewater),
- aquaponic system,
- microalgae cultivation using agricultural waste water for nutrition.

About the Guest Editor:

DR. TAUFIK TAUFIKURAHMAN, Associate Professor
School of Life Sciences and Technology
Institut Teknologi Bandung, Indonesia

Dr. Taufikurahman is a lecturer and researcher of the Plant Sciences and Biotechnology expertise group. His primary focus are in the studies and utilisation of many plant-based resources and commodities for human uses. Furthermore, Dr. Taufikurahman also conducts bioprospecting for useful substances that can be extracted from plant commodities of Indonesia and use them.

We welcome your submissions and encourage authors interested in submitting to a special issue to contact Editorial Secretary at: agnieszka.lewandowicz@pit.lukasiewicz.gov.pl

All papers will be reviewed according to the journal's double-blinded review process. Please verify that you have read the Instructions for Authors. The journal is published as open access. Publication of an article in the journal is free of charge. The full texts of the articles of the journal are freely available on the journal's website. All articles are licensed under the Creative Commons Attribution 4.0 International License (CC BY 4.0). Additional information is available on the website: <https://tech-rol.eu/index.php/en/o-czasopismie-4>

Once your submission is approved, it will be published as Online First and as part of the online Special Issue.

Sincerely,

Editorial Board
